

Systems Analyst IV PBFA (VA23-01)

Description

Candidate will participate in support of the DoD CIO's involvement on the DoD Policy Board on Federal Aviation (PBFA) Working Groups affecting DoD access to the National Airspace System (NAS). **Work focus areas include:**

- Attends senior officer-hosted PBFA Working Group on behalf of DoD CIO membership to communicate issues with CIO equity.
- Participates in various DoD PBFA Subgroups focused on Airspace and Procedures, National Airspace System (NAS) modernization initiatives, and Spectrum issues impacting DoD Positioning, Navigation, and Timing (PNT).
- Facilitates GPS testing and training capabilities in support of Navigation Warfare (NAVWAR) between DoD CIO, Federal Aviation Administration (FAA), and other interagency partners.
- Promote PNT resilience through drafting / editing of white papers, reports, staff packages for senior DoD/4th estate leadership.

Location

Pentagon

Education and Experience

- Candidates shall possess a minimum of a Masters' degree in a technical discipline from an accredited college.
- Ability to demonstrate twelve (12) years of related experience.

Qualifications

- Candidate possesses working knowledge of GPS and alternate sources of Positioning, Navigation and Timing (PNT) and its effect on Communications, Navigation & Surveillance and Air Traffic Management and combat operations.
- Familiarity with GPS-aided precision munitions is a plus.
- Candidate has 3+ years' experience in workflow management for DoD Executive Secretariat or equivalent.

Required

- US Security Clearance TS/SCI eligibility.
- Proficiency in all Microsoft Office applications.
- Ability to work in a team setting in a high-tempo environment is essential, along with strong communication and interpersonal skills.

Desired

The ideal candidate has a strong aviation background (rated pilot or navigator) with Instrument Flight Rules (IFR) and Visual Flight Rules (VFR) experience in domestic and international airspace. Candidate may have operational experience in combat, combat support or combat service support activities.
